

*** INAUGURAL EVENT ***

GILGANDRA RIFLE CLUB, 28-29 APRIL 2007

Travel along Mendooran Rd (off Newell Hwy) east from Gilgandra,
towards Mendooran for approx 7-8km. Northern turnoff side road
"Bearbung Rd" - sign posted to Rifle Range 2.5km.

*** ALL NSWRA Inc & NRAA MEMBERS WELCOME ***

Introduction: This is an inaugural event for the region, but is being run by long time campaigners of competitive shooting. It will be run under the 2007 NRAA SSR's by experienced F-Class shooters. We hope every shooter will enjoy the challenging discipline, fantastic facilities, catering and comfortable accommodation.

The format for this event is a little different from the norm, as the championship will come down to a 4-way shoot-off for each rifle class. We plan to run 4 distances each day, but numbers may cut distances shot each day back to 3. However, as this is a weekend event, if time permits, distances scheduled for Sunday will be brought forward to Saturday encouraging an early finish and getaway time.

Rifle Classes: Note: Rifles are forwards compatible, i.e. F-Class Std can be used in F-Class Open.

F-Class Std: Any rifle in .308 or .223 with any sights (optical or iron). Mass limit of 6.5kg, or per SSR's current.

F-Class Open: Any rifle, any configuration, any sights. Mass limit of 9kg, or per SSR's current.

A front and rear rest system is permitted – per rules (use of a bipod welcome). Single round loading only.

Every Day: 7.00am: Sign-on. 8.00am: Briefing and Squadding 8.15am: Event starts.

FRIDAY: Range open from 1pm for squaddled practice. 10 shots @ 300, 500 & 800. Shooter marking. Only those that show up by the start of each distance are permitted to join in. NO late entries – but may join in at next distance.

SATURDAY SCHEDULE as follows: Paid markers – no competitor marking
